- Carelessness with cooking and heating appliances.
- Flammable liquids, such as gasoline, kerosene, lighter fluid, paint and paint thinners.
- Open flames or sparks.

SAFETY TIPS:

- Don't smoke in bed.
- Check for burning cigarettes, cigars, and pipes and never leave them unattended.
- Replace blown fuses with proper size only.
- Use correct size light bulbs in lamps and fixtures.
- Avoid "octopus connections" or overloaded outlets by calling an electrician to install additional circuits.
- Inspect electrical cords for cracks.
- Have your heating system and fireplace and chimney professionally cleaned and checked each year.
- Keep space heaters away from flammables, such as drapes and furniture.
- Don't wear robes or other loose fitting clothing when cooking.
- Never leave cooking food unattended on the stove.
- Keep matches and lighters away from children.
- Install and maintain a quality smoke detector on each level of your home.
- Establish a family escape plan and designate a place to meet outside your home.

WHAT TO DO IF A FIRE STARTS:

- Don't waste time getting valuables, just get out immediately.
- Feel doors for heat and open them cautiously.
- If door exits are unsafe, use windows.
- Keep close to the floor to avoid deadly gases.
- If your clothes catch fire, drop to the floor and roll to smother fires.
- Once outside, go to your designated meeting place.
- Call fire department from a neighbor's house.
- Never return to a burning building.

Accident & Injury

Experience - Commitment- Results

Julia Busfield & Terry Dugger

Experience.

For years, we defended injury claims of all kinds for the world's largest insurance companies and businesses. Because of our experience, we know where and how to find hidden details that make a difference.

Commitment.

We have helped many families through difficult and trying times. When a serious injury or wrongful death occurs in your family, you need a law firm experienced in handling sensitive and difficult cases. ***We personally return our clients' phone calls and always take the time to answer questions.*** If you cannot come to us, we will come to you.

Results.

Our fees are based on a percentage of what we collect or recover for you. ***CALL US TO DISCUSS YOUR CASE - FOR FREE.*** We are only paid a fee if we get results for you.

Know Your Rights.

Insurance adjusters deal with injury claims all of the time and so do we. Before you talk to the adjuster, sign anything or settle your case, you need to know your legal rights. Call us first so you do not make a permanent mistake that costs you money.

DOWN

What Our Customers A

The best thing I can say about the Downey book is it is a very good value in what we get in return from them. We do not run a store front, and our service is in-home service, so it is our number one source of getting our clientele to contact us. Downey has treated us very well. Our sales rep has been very good to us. He's always available if we need to call him, we have a cell phone number straight to him and he always either answers or returns the call promptly.

Monty Harper
Harper's Service

I have been advertising with Downey for one year...best phone book I've found so far. It has only been a short time, but the number of calls have increased probably by 40 percent. I do feel like it's been a worthwhile investment, and basically it's because of the number of calls coming in each day. I definitely would recommend advertising in the Downey book. The smaller book seems to do more than the big book does. I'm dropping the other phone book just to let it run with Downey for now and the service from Downey to me, I believe, is really, really great.

Bryce Smith
Smith's Fence Company

We've advertised with the Downey book for 3 years now. It is the most widely used book in the area we service. With each call that comes in we ask where they heard about us, and the end result is 90 % of them say from the Downey phone book. We feel like the expense to publish our advertisement in the Downey book is well spent money. Our service from Downey Publishing has been exemplary.

Julie Baker
Richardson Auto Glass

I've seen excellent results from advertising in the Downey telephone book. Just last year alone my profits tripled just from having my advertising in the Downey Publishing telephone book. I would absolutely recommend that any other business that isn't already in there or is already in there to stay in there, because it does bring business. Downey Publishing has definitely made a change in my company.

SEE OUR COUPONS

Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

1 Get a Kit
of Emergency Supplies.

2 Make a Plan
For What You Will Do in an Emergency.

3 Be Informed
About What Might Happen.

4 Get Involved
in Preparing Your Community.

Find out how by visiting www.ready.gov or calling 1-800-BE-READY

Recommended Supplies to Include in a Basic Kit:

- ☐ **Water** one gallon per person per day, for drinking and sanitation
- ☐ **Food** at least a three-day supply of non-perishable food
- ☐ **Battery-powered radio** and **extra batteries**
- ☐ **Flashlight** and **extra batteries**
- ☐ **First Aid kit**
- ☐ **Whistle** to signal for help
- ☐ **Filter mask** or cotton t-shirt, to help filter the air
- ☐ **Moist towelettes** for sanitation
- ☐ **Wrench or pliers** to turn off utilities
- ☐ **Manual can opener** for food (if kit contains canned food)
- ☐ **Plastic sheeting and duct tape** to shelter-in-place

DOWNEY

What Our Customers Are Saying:

The best thing I can say about the Downey book is it is a very good value in what we get in return from them. We do not run a store front, and our service is in-home service, so it is our number one source of getting our clientele to contact us. Downey has treated us very well. Our sales rep has been very good to us. He's always available if we need to call him, we have a cell phone number straight to him and he always either answers or returns the call promptly.

Monty Harper
Harper's Service

I have been advertising with Downey for one year…best phone book I've found so far. It has only been a short time, but the number of calls have increased probably by 40 percent. I do feel like it's been a worthwhile investment, and basically it's because of the number of calls coming in each day. I definitely would recommend advertising in the Downey book. The smaller book seems to do more than the big book does. I'm dropping the other phone book just to let it run with Downey for now and the service from Downey to me, I believe, is really, really great.

Bryce Smith
Smith's Fence Company

We've advertised with the Downey book for 3 years now. It is the most widely used book in the area we service. With each call that comes in we ask where they heard about us, and the end result is 90 % of them say from the Downey phone book. We feel like the expense to publish our advertisement in the Downey book is well spent money. Our service from Downey Publishing has been exemplary.

Julie Baker
Richardson Auto Glass

I've seen excellent results from advertising in the Downey telephone book. Just last year alone my profits tripled just from having my advertising in the Downey Publishing telephone book. I would absolutely recommend that any other business that isn't already in there or is already in there to stay in there, because it does bring business. Downey Publishing has definitely made a change in my company.

n Downey to me,

We've advertised with the Downey book for 3 years now. It is the most widely used book in the area we service. With each call that comes in we ask where they heard about us, and the end result is 90 % of them say from the Downey phone book. We feel like the expense to publish our advertisement in the Downey book is well spent money. Our service from Downey Publishing has been exemplary.
